“ Art was a great work friend lots of good times at Home Depot. I loved to kid around with him. I remember we all chipped in and mail ordered a ball cap that said "Where's My Senior Discount". He got a big kick out of it. I'm gona miss you buddy.

“ "A sweet friendship refreshes the soul."  
- Proverbs 27:9

Thank you for your friendship, Art; an honorable, caring man with a smile and laugh that could light up a room. The "North High Bay" beckons no more, my friend; may you rest in the gentle embrace of our Lord. YSIC ... Gerry

“ Art Fellers, "Servant of Christ". Art was pivotal in our early days of marriage, leading a Home Builders study. Art was directly involved in my becoming a Christian and supporting us through Seminary. We love you Pat, and Art will truly be missed in this life.

“ Art and I went way back...almost fifty years. When we were young men, we used to unload railroad cars together behind the old Nabisco Plant in East Liberty. He was never afraid of hard work. Art had the unique ability of always making you feel as though you were his closest friend any time you were around him. A truly kind and peace loving man. I am so thankful that I got to spend some recent time with him before he left us. Rest in peace Art. You will surely be missed dear friend.

“ Well done good and faithful servant. We are praying for your family. Art invested himself in our sons, and we are grateful. Of course we sat through many a lopsided softball game, but they never gave up! Love, Chuck & Lois Zeise

“ Art was a blessing to everyone who knew him. He was that and more to me. A Godly man who led others to the Lord with such enthusiasm. As grieved as I am and all who knew him are, we know he is pain free and with our Lord. I will miss you, Art, so much. See you again soon.

“ We enjoyed many happy times with Art and Pat whether it be at Calvary Baptist Church or in their home. Both Art and Pat were the most hospitable people I have ever met and always made you feel at home. Art would give you the shirt off his back and I never heard him complain or ask why he had to endure his illness for so many years. He was truly a man of God who led many others to Christ. He was a wonderful husband, father, and friend. I loved his smile and his laugh and I can still hear his voice in my head. One of the memories I have of Art was him always "cleaning" up my dessert pans when they were empty by scraping every last morsel out of the pan before it went in the dishwasher! Love him so much! Hugs and blessings to Pat, John, Denny, Kathy, and Debbie and their families. With all my love, Tami (Showen) Eller

“ Art touched so many lives and showed Christ's love to so many over the years. Even throughout his struggles, he always represented Christ and never wavered in his faith. What an amazing example he was to so many. There is no doubt in my mind that he heard those precious words from his Savior, "well done good and faithful servant". We rejoice in the comfort of knowing that we will be reunited one day but until then my heart breaks for all those who love him and who grieve his loss. Prayers for Art's family and closest friends. May you all find peace and comfort in knowing that Art is safe in the presence of his Lord and Savior and is no longer in pain. I will always remember and appreciate Art being in the right place at the right time in the parking lot of the church after I received the call that my brother did not have long to live and I was headed to Erie to be with the family. Art appeared by my car and prayed with me before I made that very difficult drive. I appreciate Art's service to the Kingdom in so many ways and even at times when I know it had to be difficult to simply even get out of bed...he still served...and continued to share his love of Christ.
