“ Dearest Barb, it is with great sadness that we send our deepest sympathies to you and your family on the passing of Gary. He was a loving husband, devoted father and a super special guy.....always a joy to be around. In Hawaii they have a saying....."after the flower has gone, the fragrance of the blossom remains". May his light shine forever.

“ I remember Gary always planning fun things to do on our vacations together as a family. Another thing, was when he called me and asked me if I would move down to this area so my husband would have a job with his company. He was such a compassionate Brother-in-law and everything was from his . We love him so and he will be greatly missed. We love you, Gary. Go with God!

“ So sorry for your loss. He was a wonderful man I remember how he used to fill most of his train cars with candy for the grandchildren.

“ Mr. Dinsel was a great guy. He was one of the friendliest people I have ever known. I worked at Greensburg Country Club with him and he was always quick to share a smile a friendly wave and ask how your day was going. He will be missed by many. Rest in peace and keep watch over us all.
