“ Greg. I've known you for so long. You had a big heart. I always considered you a friend. I remember u were up my girlfriend's house. You lived down the road. I offered u a ride home when u wanted to leave. You wouldn't get in the car. You wanted to ride on the trunk lid. You didnt know, but I kept looking in the mirror to make sure u were ok. You were. I'll miss you brother. Now, with tears, I can't tell you I miss you. My most sincere Sympathy's go out to all family, friends and all that knew Greg. Jason, I'm so sorry. Greg, may the Lord lovingly accept you into his loving arms. This I pray. No more suffering, no more pain, no more crying. Only eternal happiness and love. May the lord bless you and keep you forever. God bless!

“ You've always made me laugh a lot after I get angry to forget about it. Even though your my uncle, I never really got a chance to get a lot to know about you. I miss you and I won't forget about you.
