“ To the family of Joann, especially Christian & Jake: I'm friends with Joann's friend Bev, so I've hung out with her on several occasions through the years. Joann was one of the smartest and funniest people I've ever met and I'm so glad I had the privilege of knowing her. She was so proud of her boys. Please accept my sincere condolences.

“ To the Family and Friends of Joann,

Please accept my sincere Sympathy to you for the loss of Joann. I work at Federated Hermes with Joann and was on the same floor as she was located on. I saw her frequently in the halls and would always say hello. She was a wonderful person and she will be missed very much. You are in my thoughts and prayer that you will keep her memory in your hearts and know that she will always be with you.

“ JoAnn you were always a ray of sunshine. Anytime I spoke with you, you left me happier than I was beforehand, even when I was in a low place. You were just bubbling with life and positivity. I know that you would NOT want us to be sad when thinking of you....you would want us to smile ! I know you are watching over us all now, smiling. Thank you for being that ray of sunshine when I needed it. I will miss you dearly.
