“ Scott, Julie, Andrew, Audrey and all of the Helkowski family,

My heart breaks with the news of Larry's passing. I know the past months have been challenging for all of you. Larry is one in a million. An honest, hardworking, loving, giving, and caring, man. He loved his family with all his heart and was so proud of all of them. He loved serving his community and never backed away from doing anything he could to help those who needed help. His character was rooted in his faith and I am honored to have called him my boss and my friend for many years. I will forever cherish the wonderful memories left in my mind and in my heart. I saw firsthand what a caring individual he was and I will live the rest of my life attempting to living up to the remarkable example of giving and caring both he and Jackie set. Heaven has a beautiful new angel in its presence today. Larry will truly be missed by all of us who knew and love him. God bless you all during this difficult time.

And he did my orientation and then he came to my work where I was working at the milestone program aide in Monroeville with my job coach Manny Gutierrez at the time he asked me to go through numbers and letters and told me how the job would pan out to be and what I had to do. he was real nice he would come in tomorrow where I work at photo license center to see how we were doing there were about five people working together at the time he was also so nice to me and to my coworkers I will never forget him he was a great guy nice it's so sad that he had to leave us he did good may God rest in peace and someday we'll meet again thank you Larry you inspired me. And also one Christmas he gave us gift cards for all of his employees at giant eagle it was real nice him to do that he didn't have to but that's the kind of person Larry was he didn't care and it was real nice for him to do that he gave a lot to everybody who he became in contact with he was a real nice guy I know he retired and he got sick but he was still nice going to miss him rest in peace buddy we got it from here.

“ Our thoughts and prayers are with Larry's family. You can be very proud of him. Even when he wasn't feeling well he was kind and respectful. He was a first-class man and he was a man that we are proud to call our friend. My heart breaks that he didn't get to enjoy his time here in Florida but I know he'll be swinging that golf club in heaven. Rest in peace Larry and give Jackie a big hug and kiss for us. Until we meet again....
