

Lawrence M. "Flip" "Larry" Phillips

April 6, 1939 - January 20, 2019

Lawrence M. "Larry" "Flip" Phillips, 79 of Irwin, passed away Sunday January 20, 2019 at home surrounded by his family. He was born April 6, 1939 in McKeesport, the son of the late Adam and Marie (Kaiser) Phillips. Known as Flip from the age of six, he was respected by his loyal friends and students. He was a graduate of McKeesport High School and earned a bachelor's degree in 1964 from Fort Hayes Kansas State College where he played basketball for four years reaching the NAIA semifinals twice. For the next 34 years he was a dedicated educator. It all began in Paola, Kansas teaching Biology and coaching basketball before moving back to Pittsburgh. He taught Biology and Chemistry at Gateway High School for 29 years and was Facility Manager for athletics working closely with the Athletic Director until becoming Athletic Director for his final three years at Gateway. He was a proud member of the Gateway High School Sports Hall of Fame and served on the nominating committee. Larry enjoyed the beach, cruising, and playing golf. He was an avid sports fan especially Penn State football and the Pittsburgh Steelers, Pirates, and Penguins. He was a Steelers season ticket holder for 40 years. Larry spent many summers golfing and vacationing in Sunset Beach with his golf buddies right after school let out for the summer and later with family and friends. He is survived by his wife of over 52 years Doris E. "Cookie" Phillips, his daughter Erin E. Goodwin and her husband Bruce of Pasadena, MD, and his grandson Brock Goodwin. He thought the best day a Pap could have was watching his grandson pitch or play 1st Base. It was his best medicine! Friends will be received from 2 to 4 and 6 to 8 p.m. Wednesday at the William Snyder Funeral Home, 521 Main Street, Irwin, 724-863-1200, where a blessing service officiated by Rev. Jeffrey Wylie will be held at 11 a.m. Thursday. Interment will follow in St. Joseph Cemetery, North Versailles. The family would like to thank visiting nurse, Allison, and physical therapist, Erin, and Three Rivers Hospice nurses Erica, Kelly, Kathy, and Bonnie, for all the kind and compassionate care. In lieu of flowers a contribution can be made in Flip's memory to the Penn State Dance Marathon for kids with cancer at www.thon.org. “ Cookie, I only met Flip at John and Caroline's wedding, but I liked him then and I'm sure I would have continued to like him if I had gotten to know him. I know John loved him very much! Caroline and Caleb did too and they enjoyed their time spent there with you and Flip. I know he suffered a lot so in a sad way I'm glad he is no longer suffering. Its hard to watch them suffer. My prayers are for you now and hope that you take care of yourself.

“ Cookie,
So sorry to hear of Flip's passing. Sincere sympathy to you and your family. A lengthy illness is a tough road to travel. I still think of you and our co-employees and the good times we had at IBT. Take care.

“ Mr. Phillips was my teacher in the mid nineties. He was a great teacher and more importantly a great mentor. Just last week, something reminded me of his class and I told my wife how I loved having him as a teacher. As a Gateway teacher myself, I hope to have the same positive affect on my students as he did with his.

“ Cookie,
Our thoughts and prayers are with you in the loss of your dear "Flip." Wes and I have such fond memories of our 25 years of Steeler season tickets with you both sitting right behind us. Wes is reminded of the memories he and Flip shared criticizing the officials.
Love you, MaryLee and Wes Hyde, North Hills

“ MaryLee, What a surprise to see your name! Many,many special memories of our times at Three Rivers! Flip has been suffering from cancer and COPD for a few years. He just couldn't fight it anymore. Thank you for your thoughts. We never liked our seats at Heinz Field and transferred them this year to young friends who have been using them. Hi to Wes.

“ Fuzzy, What a wonderful surprise to hear from you. Flip often mentioned you and wondered where you were. He put up a brave fight for years with cancer and COPD and it finally wore him out. Liberator mentioned seeing you at the Shag week in Myrtle Beach. Still dancing?? Take care, Cookie

“ I never had this man as a teacher, but he always tolerated my antics in the hallways between classes. Thus, I remember him vaguely, but remember him I do! This gentle man was a kind soul. Oh, and by the way, when I write the word "antics", trust me, he had every right to call out the national guard but never did, haha! A nice guy. Rest in eternal harmony, Mr. Phillips!

“ Cookie, Lee and I were devastated to hear about the passing of our favorite customer. He was a great man. It says a lot about a teacher when I can honestly say I looked forward to going to chemistry class everyday and I hated Science back then. He will surely be missed.. God bless you and your family. I will definitely miss his fist bumps (Jeff Friday & Lee Slogan, Carhops Subshop Monroeville)

Jeff Friday - January 22 at 08:07 AM

“ Thanks, Jeff and Lee. He hasn't been up since August. Larry Hanley brought him a CarHop a couple months ago when he could still eat and he loved it. The cancer and COPD took its toll on him. Haven't been to Monroeville in months, but I will stop on my next trip. Take care, Cookie

“ Mr. phillips was my biology teacher in both 10th and 12th (advanced biology) grades. He really made the class extremely interesting. I believe he played a major role in my decision to later major in biology for undegrad and grad school. But because of those decisions, I have worked with animals in the US and in Africa, tracked howler monkeys in Belize, had a very fun and exciting career in environmental consulting, and even met my wife through my work in zoos. I truly believe he was a driving force in my career path.

My memory must be a little foggy, as I thought he was athletic director when I was there, but maybe he was not. I do know he stepped on the bus one day before the soccer team was headed for a game. I had stupidly skipped most of my classes that day. He saw me and whispered something to the coach and I ended up being benched for the first half. It was the only game of my senior year I did not start. Nothing else was ever said. I respected him for that I had screwed up, he handed down the punishment, and that was the end of it. You can bet I never skipped his class again.

He was and will always be my favorite teacher. I am very thankful for his direction and his passion for teaching. May he rest in peace and may his family know the great and positive impact he had on so many of us.

“ Mr. Phipps was a wonderful soul and an amazing teacher. I had him for Chemistry and AP Biology at Gateway in '97/'98. He is unforgettable and will always remain special to me. My deepest sympathies to his family.

Gina Vensel - January 21 at 10:39 PM

“ Mr. Phillips was also my Biology teacher in '75! He was my favorite Teacher!! He was so compassionate to those who needed extra help! Once I needed extra credit, he handed me a screw driver and had me remove mud from football cleats! Lol! He was the BEST! My deepest sympathy to his family!

“ I am so sorry for your loss. I had Mr. Phillips for both Biology and AP Biology in 1981 and 1983. He taught a large section on genetics and mentioned a career called “genetic counseling”. I'd never heard of it but was interested. I ended up going to graduate school and became a genetic counselor. My decision to do so was largely due to Mr. Phillips' enthusiasm towards the field. He truly made such an impression on me. I always looked forward to his classes. He was a wonderful teacher. My deepest condolences to his family. May he Rest In Peace .
