“ My deepest condolences to the Stoupis family. I worked along side Manny at National Work's Blast Furnace in the mid-1970s for a few years. In all my years at USS I never saw anyone who had the command and respect of those working for him than Manny Stoupis. Manny was bigger than life to me. The memory of him in his silver suit is etched in my memory. Rest in peace my friend. Bob Mehaffey

“ To my dear friend Manny,
I have known you for over 30 years as a friend and as a coach. I played baseball for you for over 10 years. You are one of the finest men I have ever known in my life. Very tough and hard to live with on the outside but a heart of gold and a heart as big as the moon on the inside. You have been a very loving and caring person. I will miss you tremendously. You always gave more than you received.
As we shed our tears, you are smiling down on us from heaven. We have lost a good friend and God now has a best friend. Till we meet again my friend.

“ I have lost my former roommate, football teammate and fraternity brother. Beneath the surface of his personality was a loving and caring man and who never lost touch with his friends. I will never forget two years ago when he got us together in the Hall of Fame Room at Emory's homecoming as he was leaving he told us all that he loved us with tears in his eyes. "The Greek" was an outstanding football player, (Little All American among other awards) a very good student and President of our senior class. Words can't express my sadness over his passing. I send my condolences to Cynthia, his children and George Klipa, his good friend and brother-in-law and our former quarterback.

“ Emory and Henry College football was in its glory days when"the Greek " was a intergral part of that game.I am so glad that I was able to be with him on his last trip to E&H this past April. As always he made a great impression on Emory's new football coach, Old team mate and fraternity brother "Moe" Weaver.
