“ So many memories. But the one I often think back on is when you all would come and visit my mama, Aunt Blanche to you all. There was a restaurant called Mike's in our old Beaufort and they had really good hush puppies. I would go down there and buy 2-3dozen because Aunt Elizabeth loved them and to our surprise Michael tasted them and LOVED them also!! He would make his extra special by dipping them in sugar!! I took him for a walk to show him where the restaurant was and there after he would walk there maybe twice a day to bring back hush puppies!! He loved those hush puppies and sad to say Mike's Restaurant is no longer there Please know all of you are in our thoughts and prayers Love too all, your Southern cousins Beverly and Gerald Turner

“ George, Lisa, Aaron, Liz, and family, You all have our deepest and heartfelt sympathy. We can't believe Mike is gone but only from our sight not from our hearts. Sending hugs and Prayers to all of you. May your memories and stories of Mike bring you comfort during this difficult time. We have so many good memories of Mike from when he was younger whether it was being my helper when baking homemade bread or donuts or coloring and hunting Easter eggs or just playing with the kids. It was always a joy to have him and Lisa around. We are so glad that we got to see him and Liz and Aaron when he brought his mom to visit us a few years ago. We may not have seen each other much over the years but all of you are always in hearts, thoughts and Prayers. Mike you will be sadly missed, are dearly loved but will never be forgotten. We will forever love and miss you. Love, Aunt Nancy & Family <3 <3
