“ Trips we took together, golfing, sitting on front porch. Telling each other almost everything about our lives and knowing it stayed between us. I can't hardly believe I will no longer be able to do that with you. I miss and I love you Tom. There will never be another you

“ Great neighbor, client and friend for over 20 years. Will miss sitting on your porch sharing stories, or deciding what renovation project was next while enjoying some Canadian Blue. Probably even told some lies about our golf games. Rest well, Tom,

“ Was a joy working with Tom for a number of years. I also got to keep an eye on Mike & Matt when Tom had to go to Corp. office. Had a lot of good times with him and will miss him dearly. My heart goes out to you.

“ I met Tom in 2006, when I met Fred Owens. Since then, I have had the honor of our paths crossing several times, and I was always happy to see Tom. He was a quiet, funny gentleman who was very easy to like right away. My sincerest and heartfelt condolences to Tom's family and close friends - they have lost a wonderful person. As yellow roses represent a symbol of friendship and caring, so does now this beautiful candle hold the same meaning. Rest well, Tom.

“ Tom was one of the Circleville gang and a great friend growing up through high school and beyond. From a fellow Vietnam Vet and old friend, I will always remember the times we all shared together.
