“ Sandy, I wish I could say the proper words to you that would convey how saddened I was when I heard that Bill was called to Heaven. Your family and friends will always be there to comfort you whenever you need strength. May God grant Bill eternal life in Heaven. Dennis Sopchack

“ Sandy, I am heartbroken for you. I had NO idea that Bill wasn't well. I only knew him from our yearly dinners with Sally and David when Drago would come into town, but it was clear that he was a larger than life character; clear that he loved his family; clear that he loved his pups, and clear that he loved you. I am so very sorry for your loss.

“ I was in PENNDOT Design most of my career and Bill was in Construction, so our paths did not cross often. When they did it was always a pleasure to work with Bill and gain insights from the Construction side. He always had good advice to give. May the Lord comfort you, Sandy, in this time. Joel Bowman

“

Sandy,

My deepest sympathy to you and all of Bill's family. Bill was one of the first people I worked with when I started with PennDOT. We spent several months together chasing the painting contractors all over Allegheny county. A time about which he had many crazy and humorous stories to relate. I learned a lot from Bill and his demeanor, wealth of experience and advice helped me in my career at PennDOT. We became good work friends over the many years we were at PennDOT and often had a good laugh at those early days with the painting contractors. God bless him.

Dear Billy,

"Growing up with you as cousins was a joy to me, you were always kind to me and let me trail around with you and your friends on many adventures!

Our love as cousins, and family was the kind that makes a life special, and yours was. Thank you for the many treasured memories, for the joy, laughter, kindness and happiness you brought to me and my sisters, and later as we grew to adulthood our bond was forever still strong....I will miss you deeply, think of you everyday, you will always be a part of my heart.

God bless you and keep you in His arms, until we meet again."

God bless and keep Sandy, his soulmate, and love of his life, strong and bring her peace.

Your Loving Cousin,
Renee and Dick

“ Sandy and Family,

I don't have to tell you how much Bill and you meant to our PENNDOT family. He was a great person and a wonderful Project Manager. That is everyone's sentiments. I do cherish our friendship. You are, indeed his best friend and soulmate. He will always be with you and with us. Always, Rose

Marzalek Family,

I am deeply saddened to hear of Bill's death. I worked on a number of highway projects with him during his years at PennDOT. Bill was always a gentleman, who was an absolute pleasure to work with. His death is a loss to all of us who knew and admired him.

“ Sandy,
I am so sorry to hear of Bill's passing. He was special in so many ways. I use to call him Grizzly Adams, after a TV show, he was a gentle giant of a man. He was respected by all. I know I have not seen him in a while but he was a good friend. He will be missed. Dave Calabria, PennDOT
