“ I am so sorry to hear about the passing of your mother and grandmother. She was truly very special. Every time I spoke with her over the years, she talked with pride about each of you. Her smile always lit up her face. Growing up in Penn, I spent a great deal of time in her home, and she was always very welcoming and gracious. I'm sure that she never appreciated how loud we were when we stayed up late or the snacks that we ate at midnight, but she was always very kind to me. I will always remember her. She will truly be missed. You are all in my thoughts and prayers. May God grant you comfort and peace.
