“ *Jen and Von I will never forget how happy your dad was at your
wedding. I am so sorry he was taken so young and won't get to
know your dear son. My grampap died when I was two. While I don't
remember him I love to hear stories of how much he loved me! Let
me know if you need anything and lets get together soon. Love

“*To the Davis family. This is Tom Roth, Tony's brother. I just want to send my condolences and prayers to you. Al will be missed by me and I will also miss the stories we shared about the times he had in the service. Even though we served at different times, I felt we were connected with a common way of life. He will be remembered in the highest regard. I am sorry for your loss.*

With the upmost respect
