“ *"Ang" was a godsend when I moved to East McKeersport in 1976. My house needed a lot of "special" parts and materials, and I always knew where to find them - at the Hardware store. He gave me a lot of help and good advice as I redid my house. I was sad when the Hardware store closed, but I am now sadder to learn of his passing. There is a special place in heaven for this man!*

“ To: The Spinelli family,

My family would like to express our deepest condolences to Angelo's family during this time. Angelo was a tremendous friend and great resource to my late father for several decades when Angelo (and his wife) had his hardware store in East McKeesport, PA years ago. I personally remember being with my late father, many times as a young kid, when we would visit Angelo's store when working on something that was in need of repair, maintenance, or installation at our family owned and operated motel business. Mr. Spinelli, most often, had the parts we needed, and the insight and knowledge of providing some great and helpful tips on the job at hand. My father was the late "Russell O. Park" and owner of our family owned/operated business, "PARK's MOTEL" for over 50+ years while on Route 30, otherwise known as the "Lincoln Highway" in North Huntingdon, PA, in Westmoreland County, just a few miles east of the intersection of "Route 30 / Route 48" traffic intersection where the former KMART retail store was once located at for decades. In any event, Mr. Spinelli was a wonderful man, invaluable resource, and great friend to my late father over all those years. Angelo is from that "GREATEST GENERATION of America" and God quit making people like that, a long time ago. He's now in "GREAT HANDS, COMFORT, and COMPANY" as well.....that, I can promise you folks! Take care and I wish the Spinelli family nothing but the BEST!

*Sincerely,
Dennis "Kipp" Park (and family)*
