“ *I will always remember fondly our visit to Pittsburg several years ago. I had just lost my parents and we needed to get out of town. The time we spent just sitting around the table talking with Ann and Danny was the best part of the trip, even better than the concert we came for. Her home was so warm and inviting and Ann was so sweet and fun to talk to, it was exactly what I needed at the time. My heart goes out to the whole family at this time. Blessings, Jana*

“ *What a woman! Goodness to the core. A sheer blessing to know and love her. Our family will never be the same without her. But ever so slowly, with a large void, our family will find strength once again. Just recalling her laughter and smiling face will lift us up. Always loving you Aunt Ann-Eileen and Roz*

“ So sad to lose my dearest friend of 55years but happy that you are in peace and in the loving arms of Jesus.

I will remember all the fun times we had playing pinochle with our hubbies and going on vacation together. You and Dick gave us the highest gift any friends could give another, and that was being God-Parents for your beautiful daughter Lori. Your great sons Kevin, and Danny were such good buddies for our boys growing up.

Dick and Chuck are at the gates of heaven. Glve them a hug from me!!

You may not be with me any longer but you will always be in my heart

*Missing you
