“ *It takes a special person to be a good mom. As the years went by and I grew up our paths have crossed less frequently. But every time we would get together, you were still my mom and will always be a mom to me. You are a great “mom” and will always be in my heart. I love you and will miss you.*

“ *It was truly an honor to be your daughter (son-in-law). Even though you lost your son, we were happy to be able to spend the last few years together with many memories that we will always cherish. We know you are not suffering and now get to enjoy being with all of the friends and family that you've missed.*

*Hugs and kisses,
Cathy & Greg*
