“ Dear family of Tony Costellic,  
I am very sorry to hear of Tony's passing and I offer my condolences to you all.  
Some 50+ years ago I had the pleasure of many happy times with Tony & Jimmy (and on occasion Bob, Tom or Betty Jo)--playing baseball catch, football or hide & seek out in the Costellic family yard. We'd play, as 6 to 12 year olds, til long after dark and we'd often top it off with sitting on the "bank" and eating green apples from the trees that grew in the Costellic yard. Those were great times and Tony and his family were good friends. I live far away now but have my own 9 year old boys . I think often of my own 9 year old days and Tony/Jimmy are always part of those thoughts. Thanks Tony, and goodbye,

“ Anthony was a great collaborator at work, but more importantly, he was a great human being. Please find comfort given his early passing that he left a meaningful legacy for all and provided us with an exemplary example to follow.

*May he rest in peace.*

“ *Although his presence will be greatly missed Tony will never be forgotten, he will live on in our fondest memories of his jovial, humorous and playful spirit. I have a vision of many amused angels, listening to his jokes, antics and sharing his stories and political views (minus the cigar) and hear their laughter and admiration for the soul they are charged with guiding home to the father in heaven.*

*Bonnie, Corrine, Anthony and Erica, as you grieve, take some comfort in knowing how much Tony was loved and admired for his wonderful spirit by so many. May God grant you comfort, peace and strength.*

*Please accept our deepest heartfelt sympathy. Rose and Rick Wyatt*
