“ A great friend of the past, always wondered where you ended up after we lived together with John, Moon, You, and Bill in Florida. Still have that 66 sportster I bought from you for the roadrunner. GOD bless your Wife and children and may the LORD be with them and be their guide, Joe <https://www.facebook.com/JosephTopinka>

“ 4years we were together Tony. Two beautiful children together. Plus three you loved like your own. I know how proud you were of them and how much they loved you. There was so much more to you then met the eye. You were an awesome friend and such a hard worker. You could make me laugh even when I was mad. I know you'll see your grand baby from where you are now and that calms us all a little bit. I loved your laugh and those gorgeous blue eyes. You will be forever that man to me. God bless your soul and keep you with your beautiful children til they can see you again and rejoice in their loss and love for you til then. Sorely missed always loved Tony ALWAYS
