“ *I happened to do a search of Arlene's show, as I used to watch in the early 90s and was happy to find an episode online to enjoy. But then I read she had passed last year and that Paul had preceded her. I'm very sorry for family and friends' loss. Arlene had a very special spirit and I thank her in Heaven for sharing it with us viewers.*

“ *Sending belated condolences to the many friends and family of Arlene. I was out of Pa and just learned of her passing. I never met her but came to love her watching her cooking show. I wish I had known her personally but hopefully I will meet her when I too go Home to Jesus. May God Bless her.*

“ I first met Arlene at Christian Life Church in McKeesport when she played the organ for the services. I was and have always been so appreciative of her God given talent and of the special anointing on her music. Enjoyed seeing her on Cornerstones and meeting up with her at the seminars at Greater Works. Always had a beautiful spirit!

“ My thoughts and prayers are with Arlene's family. My greatest memories of Arlene is watching her on her cooking shows with Paul. Last fall she called me personally out of the blue to ask if I needed prayer and we chatted for an hour! I feel like I knew her personally even though I had never met her. Her smile and prayers always showed her great love for the Lord. She will be missed as she touched so many lives. She is now dancing in Heaven with Paul and many other friends that went before her.
