

Atanas "Tony" Pavlov

April 10, 1951 - March 21, 2016

Atanas "Tony" Pavlov, 64, of North Huntingdon, passed away peacefully in his sleep on March 21, 2016. He was the beloved husband of Maria Pavlov for 38 years. In addition to his loving wife he leaves his daughters of whom he was extremely proud, Fani Jenkins, her husband Jason, and their daughter Emma, whom he adored, all of Boulder, CO, and Vivian Pavlov-Schultz and her husband Scott, of North Huntingdon.

Tony received his bachelor's degree in computer science in his birth country of Bulgaria and earned his master's degree in computer science in Vienna, Austria. Tony's ultimate goal was to come to America to give his family the best opportunities possible and he believed that with hard work, anything was possible. Prior to his retirement, Tony was employed at UPMC as a software architect. What was most important to him was to be the best husband and father he could be for his family, always putting them first.

“ *Maria, Viv and Fani..my most deepest condolences on the loss of Husband, Father and Friend. I have the most fond memories of the love and pride Tony had in his family. My most fond memories are of Tony's wit and laugh along with the real joy he expressed when I would bring my beautiful little daughters around on Halloween. I clearly recall him, every year, coming down the stairs to take numerous pictures...and just beaming! .Maria and girls,my Becca, one of my amazing twin daughters, is pursuing a vocation in neuroscience/surgery.. I know she will work in Tony's memory. Gods speed and my love...your old neighbor Rick.*

“ *I worked with Tony for just under 2 years as my first and entry level job after College. During that time I grew to know and love Tony. He always beat me to work in the morning, and as I rounded the corner he would peek over the wall of his cubicle and greet me with a giant smile and "good morning Stevie". He was an excellent mentor and taught me many things during those few years. He shared some pictures of his family with me when we'd be stooped over at his cubicle trying to debug a problem he was so good at solving. When he shared the pictures with me, anyone could tell from a mile away how passionately he cared about them. My thoughts and condolences are with Tony and his family during this difficult time.*

“ *Dear Vivian*

I know how much your Father loved you just by watching him on your wedding day with Scott.

It was truly a memorable scene to remember how the bond between you and your Father was on that beautiful lovely day.

“ *The day before Vivian was to become my daughter-in-law, Tony and I were standing under the wedding tent, and admiring the whole scenery of Sannibel Island. He looked at me and said, "Patti I am so blessed to be here, and seeing all of this happening." I responded, "yes Tony, this is a very special time for all us." I will never forget that memory, and the look on Tony's face, as he walked Vivian down the "beach" isle. My heartfelt sympathy goes out to Maria, Vivian and Fannie.*
