“ *Every girls first love is her father proud to walk with his daughter handsome and tall her hand so small in his. With him she always feels safe. My daddy is gone but in me his spirit lives on, never to be forgotten. I missed his last call I have his message thats all. I will always wonder what he wanted to say. He loved life too much to linger his spirit is free. I know that he loved me he wouldnt want me to cry better to be thankful for memories of days gone by. The last message he left me was short and sweet sometimes I replay it just to hear him speak, feel his arms around me as I drift off to sleep. I love you Daddy I will always be your little Sher Sher*
