“ *Bess was a wonderful person who I first met when I taught Tom in third grade. She was a kind and loving individual with many talents. She shared her love of ceramics with me, and I always enjoyed the time I spent in her class. Her family meant the world to her, and she exuded her strong faith as she lived every day. Bess was a person who inspired and motivated others with her love of God. She will be missed by all who have known her, but she leaves warm memories to each person whose life she has touched. My prayers are with the family at this time.*

“ My prayers and condolences to my/our family of the passing of our dear Aunt Bess. She was one in a million. She now joins her sister, our Mom Ruth, who passed 2 weeks prior. Aunt Bess had a heart of gold and a laugh that I will always remember. She was one wonderful caring individual and loved the Lord.

I will truly miss talking to her and I was so blessed to have such a wonderful Aunt.

Lovingly,

“ Worked with Bessie at McDonald's. She was one of the nicest people I had ever met. She lite the place up when she would come to work. Hard working and a great sense of humor. I've thought of her often and glad that I had the privilege of knowing her. William Mcafee

“ To the Churchfield Family:
I could not believe the paper when I saw Bess passed away. She was a wonderful lady who shared her talents with others. I got to know Bess just by being her neighbor (North Versailles) and by seeing Nelson walk the neighborhood on a daily basis. Bess was always a loving person, great teacher, and fantastic cook. She will be truly missed.

Rest in Peace Bess.

“ What a beautiful person you are Aunt Bess. With an open heart you gave of yourself to family, friends and strangers. Such a tribute to your life that your legacy includes all the things you have done for others. I remember you being a fabulous cook and sharing your time and talent with us. I am better for having known and been around you. God speed, you are one of his angels on this earth.
