“ *I worked closely with Betsy through EDSI over her 13 years and over my time of 16 years. We networked offered assistance to one another and were able to assist employers in both regions with valuable participants. I reached out about a month ago to assist her until a new BSR came aboard but did not hear back. I loved working with Betsy she was always happy to help and assist anyone in need. I know it will be truly hard to replace her. My prayers, love and condolences go out to all the family and friends who are truly blessed to have shared wonderful times and memories with her. God Speed my dear Betsy!*
