“ *Bonnie was a cherished childhood friend. We spent almost everyday together, riding bikes, visiting her grandma and teasing her brothers. We were so close my sisters and I called her mother and father aunt and uncle. Bonnie will be missed for her compassion, friendliness and wonderful memories of our childhood. Bruce, may the good Lord give you and your family comfort.*

“ During the family reunion at your home, Bonnie and I sat and talked. Her favorite place to visit was St. Augustine. I saw many pictures of your family vacationing there on FB. Each one of you radiated such happiness which was beautiful to see. Bruce, your and Bonnie's time together was a true love story which many cannot tell. My deepest sympathies to you and your family. My thoughts and prayers are with you. Love, Donna
