

Brian Lawrence Hetrick

February 28, 1998 - July 16, 2019

Brian Lawrence Hetrick, 21, of North Huntingdon died at home on July 16, 2019. He was born February 28, 1998 in Greensburg, the loving son of Warren Hetrick and Marina Venturelli. In 2002, Brian became the older brother to his surviving sibling, Alex Hetrick. Brian was a 2016 graduate of Norwin High School. He was about to begin his Senior year at University of Pittsburgh, Greensburg, where he was a Dean's List student after transferring from WCCC in 2018. He also worked at Kohl's, North Huntingdon for the past few years.

Brian was a good kid. He didn't do drugs, never got into trouble, and hardly drank. He went to pre-school at Calvary Preschool Center, attended first grade at West Hempfield Elementary before transferring to Sunset Valley Elementary, and continued his high school career at Norwin School District. He received First Communion and Confirmation at St. Agnes Church.

He played soccer for many years at the Norwin Soccer Club, playing for coach Seth's Travel Team, and later for the 9th Grade High School Team. He went on to play for WCCC his freshman year in college. He also participated in martial arts, T-ball, baseball, basketball and track growing up. Brian spoke Italian, and he loved travelling to Italy to visit his Nonni, and especially adored being with his two young cousins there, who took to him so much. He also enjoyed beach vacations growing up, and being with his good friends Marc, Cayden, Cam, Kevin, and many other special friends from all parts of his life. In addition to his parents and his brother, Brian is survived by his maternal

grandparents Pietro and Olimpia (Casolari) Venturelli of Bergamo, Italy; Uncle and Aunt Luca and Cristina Venturelli and young cousins Lucrezia and Greta also of Bergamo, Italy; Uncle and Aunt Ronald and Ellen (Stetzer) Hetrick from Bremerton, WA., and older cousin Eli Hetrick from Seattle WA. Special Godparents (Uncle and Aunt to Brian) Mike and Carolyn Backus, who loved Brian like their own.

Friends and family will be received from 6 to 8 p.m. Friday and 12:30 to 2 p.m. Saturday at the William Snyder Funeral Home, 521 Main Street, Irwin, 724-863-1200. A private Blessing service will be held Saturday after the public visiting hours.

“ Dear Marina and family, there are no words I can say to make this any better. I’m so so so sorry for your loss. A horrible tragedy and no one wins here.

I hope you will find strength and comfort in having your family and friends around you and I hope you can stay strong for Alex.

There’s nothing more important in the world than family. Stay strong for each other and try to remember Brian and all the happy moments you have shared with him. He is now your guardian angel and will watch over and protect you.

Sending all the love and hugs to you and yours. I will leave you with this:

“Life isn’t about waiting for the storm to pass...It’s about learning to dance in the rain.”

God bless you and your family Marina.

So so sad today. Ive known Brian since he was a small boy. Cutting his hair even when he didn't think he needed one. Now seeing him as a young man with a big life ahead of him. Marina my heart breaks for you my friend. I Love you

“ *Unfortunately I couldn't have enough time to know Brian better, but I remember vividly the few times we have met.. He was staying with his Nonni; we didn't speak much probably because we were both just two strangers, but what struck me the most about this young boy was, apart from his excellent Italian, his bright and contagious smile that I will never forget. Brian, nonostante le poche occasioni che abbiamo avuto e le poche parole che ci siamo scambiati, ci mancherai tantissimo...*

Oltre a ricordare questo splendido ragazzo, vogliamo esprimere le nostre più sentite condoglianze alla famiglia di Brian. Siete nei nostri pensieri e nelle nostre preghiere.

“ I had the great honor and pleasure of working with Brian at Kohl's. He always such a pleasant, kind, loving person to be around. Brian was always willing to help others and go above and beyond what was expected of him. He was that one person that everyone at Kohl's enjoyed being around and made working retail (which is often stressful at times) so much more enjoyable. Brian, you are so loved and so incredibly missed. Our Kohl's family will forever miss you. I am so honored to have known you and worked with you.

“ Brian and I met a little over two years ago when I started working at Kohl's. He always made my shifts that little bit better, and every time I worked with him I never left without laughing at least once no matter how bad my day was. Even though I left Kohl's almost a year ago, he was one of the reasons I kept thinking about coming back. We also attended UPG together, and I looked forwards to the times where we would pass each other on campus and always make time for a brief conversation. He was one of the kindest, most down to earth people that I knew and he will be greatly missed.

“Where do I begin... Brian made work feel less like work and more like a second home. His kind and gentle spirit, sarcastic personality, and hilarious sense of humor made everyone smile. I feel so grateful to have known him and even more to have called him my friend. As he always told me when I complained about school: “you’re doing the best you can, and your best is good enough.” - Thank you, Brian, for the memories. You are missed and loved more than words can say. To his family and friends, my heart, thoughts, prayers, all of the above are with you all. Rest easy, my wonderful friend ❤️

“Brian had such a beautiful and kind soul. We worked together for many years in the evenings at Kohls. I knew about his grandparents and how he loved to visit them and how much he enjoyed his last vacation with them. I would always ask him to speak words in Italian when he returned home. I knew his love for Star Wars and how he was looking forward to his last year at Pitt. We had so many great conversations about everything in life, as he was more like a son to me than a co-worker or friend. A wonderful young person gone way to soon. God be with you Brian. May your family find comfort and peace. - Glenda Sekerchak

“ I met brian a little over two years ago at kohls when he helped train me and we also went to Wccc together. Ever since then I would go talk to him every shift we worked together. Seeing him always made my day. Everyone would always go over and talk to him. He was just that kind of person who made everyone feel welcome and happy. He was one of the nicest, funniest, and the most down to earth person I have ever met.

“ Brian and I started got hired at Kohl's in the same year. I loved working with him. We probably talked more than we worked, but somehow we were always able to get stuff done. It was people like him that made working retail a lot less stressful. Our friend group called ourselves “the Kohl's Kollege Kids.” We had an absolute blast when we worked the same shift, especially during the holidays. So many fun memories❤️ He is going to be truly missed!! Sending lots of hugs and prayers to his family💕

“ I only worked with him a few months over the holidays, but in that time I found Brian to be an amazing young man. I can't compare my sadness to the grief those close to him are feeling... but I feel such a loss. The world lost a beautiful soul. A bright future. A wonderful man that had so much more to give. I'm so sorry.
