“ Hi, I am Brianna Dawn Bell's niece. I only remember some things about her. But she was very good at soccer, and I love to see her old soccer jerseys. I hope she's happy in heaven and her dog, Juno, is doing amazing.

“*Brianna played soccer with more passion than most players and was dominant on the field, but her real worth was in the smile. Over the past years I would see her coaching and she always came over with that smile, give me a hug and say hello, catch me up on her life. She is an amazing person and I am so sad at this news. Joe and Cheryl you and your family have my deepest sympathy and I will pray very much for you all.*”
