“ This world will be a little duller without Carl. He & his family opened their home to me for the summer without hardly knowing me back in 1978, while I did an internship at SCI-Greensburg. We ate & laughed all summer. Then we ate some more. Carl taught me to drive a "standard"-in his Pinto hatchback on Rt 19 (when they were exploding from rear-end collisions). I learned FAST! What a wonderful guy; what wonderful family. Salt of the earth. They don't make 'em like that anymore.

“ I remember always having a warm fire in the garage for while we were sled riding and needed a break. Carl ALWAYS made me laugh..just look at this pic! I remember laughing so hard while playing cornhole with Carl as my partner that we had to stop the game so I could go inside to pee. Ahhh theres so many great memories. How about Deep Creek! He was so sunburned that he glowed in the dark. But the cottage got painted and the beer was cold. I will crack open a cold one tonight for you, Carl. Hope you can do the same.....
