“ *Joe (Carl) has been part of our family for many years. GREAT Memories for at least 58 years. Memories with all the brothers. Everything we did had music involved. For a while now Joe and my Saint Bernard Sadie became buddies. He would watch her when we went somewhere for the weekend. She worship him. When I listen to the Oldies without Joe there's something missing. We all miss Joe so much.*

“ Eric and Devin,

We learned about your dad's passing and our hearts broke. Such a great neighbor and friend. All his corny jokes and friendly words will surely be missed. One day you both will be able to look back on the many memories of your dad and mom. Prayers and thoughts

“ *I remember learning to play basketball in the church gym. But most of all, Carl was the DJ for our MYF dances and had the best record collection. He was a wonderful DJ! He will be missed.*
