“ Dear Nesky Family & friends, it's hard to find the words to say goodbye to someone who brought so much light into the lives of those around her. Although Carrie and I lost touch after high school, the memories we shared during my junior and senior years will forever hold a special place in my heart.

I'll always remember the fun times we had—trips to the wave pool, evenings spent at White Oak Park, and the good times and laughs as we took over North Versailles in her famous gray Lumina. Visiting her at KMART where she worked or walking to her house after the last day of school felt like the start of an adventure every time.

Rest peacefully, Carrie. You will be deeply missed by all who had the privilege of knowing you. Though your time here was far too short, the memories you left behind will continue to bring comfort and smiles to those who loved you. Sending so much love to your family during this difficult time.
