“ We are saddened to hear of Cathy’s passing. Our thoughts and prayers are with your entire family. We got to know Cathy through sharing our sons college experience, and as neighbors. Cathy always made us feel welcomed. She always had a smile on her face and was extremely warm hearted. She will be missed by all that had the pleasure to know her. Her loving memory will live on in all of our hearts, but especially in the hearts of her loving husband and children.

“Cathy's friendship, support, sense of humor and love have always "been there" for me for 59 years. Our greatest comfort is that her Lord and family in Heaven are eternally blessed with her now and that we will be reunited again someday. Her "spark" and love of life will always be precious.

“I remember doing some soccer road trips with Cathy back in the day when Kira and Emily were playing together. Oh what fun times we had and great conversations. Not to mention getting lost a time or two. Then I was blessed to have her as a coworker for a time and catch up with her and hear about Jake and the kids and all of their latest accomplishments. She loved them all so much- they were everything to her. She will be sorely missed. Kathi Prokopik

From the day I met you at Westinghouse until now you were a friend that even if I didn't talk to you in months when we did talk it was as if we had just talked yesterday. I know you're with our Heavenly Father and making yourself at home by His side. Love you girl.*
