I cannot believe the Charles "Chick" Schwer Jr. is gone. "Chickie" as we knew him 55 plus years ago was an original member of the Foster Road Gang. I can remember like it was yesterday, a warm Friday night, hanging out at the "Store" that used to be on Foster Road. Trying to figure how we were going to get some beers. The fun we had lives on in my memories. How did we get to be this old? I lost track of Chickie and did not learn of his passing until lately. He was a faithful and loyal friend. I and the others could always depend on him to provide a positive spark to all of our gatherings. Some one once said " you never know what you had until it is gone". I am feeling that now. Rest in Peace, Chickie. May your spirit dwell with Jesus. I hope to see you again in Glory.

“ My Brother Chick was my hero when I was young. He would take me hunting and trapping with him. One day we were to meet up with two of his friends to go hunting. His one friend said " Hey, do we have to take the squart (me) with us. His reply was " he is going with us. If you don't want to go fine, but Tim is coming with us." I remember that day like it was yesterday. There will be a huge Void in the Schwer family without him. He had a way with making everyone comfortable and welcome. I live in California and my ex-wife and I were preparing to go back for him and my Sister-in-laws 50th wedding anniversary. My ex-wife was nervous because she felt out of place because she was Mexican. I assured her that my Family would make her feel welcome. We were planning on staying with my Brother. We ended up going to Niagara Falls and she talked about that trip for years after. My family and my brother and his wife made everyone feel welcome. I am thankful we talked at least weekly for the past several years before his passing.

My friend for over 50 years.. A blue candle for the sadness that we feel, but a light that will shine forever, in the loving arms of Our Lord and Savior, Jesus, to spend eternity with Him. A temporary separation from us, but we will see you again, my friend.

We grew up together, trapped together, drank together, even tried his dad's dandelion wine. Ran the woods, climbed trees, swung on monkey vines. Loved you dear friend till the end.
