“ Charlotte and I used to go roller skating quite often. One day we were going to shaler to skate while going on the turnpike to shaler a truck driver got on C B radio and asked if there were any good looking women out there. I told him I had one in the back seat and for 25 cents and a pair Douglas Snyder roller skates she was his. Well he had the 25 cents but couldn't afford the skates. So I kept my mother-in-law. Till this day she would love to tell the story how I tried to sell her to a truck a truck driver.
