

Christian Michael Levkus

November 6, 1988 - August 24, 2024

It is with profound sadness that we announce the unexpected death of our beloved son Christian Michael Levkus. Christian lost his 20 year battle with addiction on August 24, 2024. Christian was born on November 6, 1988, the only child of Richard and Belvia Levkus. He was preceded in death by the love of his life Renee Liebert Levkus on September 1, 2023 and his paternal grandparents Laura and Michael Levkus and John and Antoinette Spino. He was a loving father to Vadalyann and Briar and loving step-father to Bentley and Icelynn. He was the son in law of Ronald and Christy Liebert; brother in law of Ronald Liebert Jr.; and was also survived by several aunts and uncles who we want to thank especially for walking us through this difficult time. Christian was witty, intelligent and extremely artistically gifted. He was a renowned tattoo artist who owned 7 Daggers Tattoo in Coraopolis working alongside his beloved crew of fellow artists Milan, Haley, Chris, Jess, his new apprentice Mikayala, and his piercer Zak. Our family would like to thank the national and international art world for embracing Christian and acknowledging his artwork with multiple awards and magazine articles and for sticking by our side through this difficult time. Families are promised year after year that change will be made in the scorn of drugs in our country, but the facts and statistics remain the same. Eighty five percent of rehabilitated addicts relapse. It is something no family should have to deal with. We can only hope those changes are made. Godspeed to such a gifted beautiful soul and to this wife. Both were loved by many. For online condolences please visit
