“ Sorry for your loss. Worked with Cliff for years; a workaholic like myself...we ran from Detroit to Billings once, and my motel room phone rang and it was Cliff..."Hey, they missed your wake-up call, so hurry up, I'm in the lobby drinking coffee..." I threw on some clothes and ran out to trucks, and off wwe went. About three hours later, Cliffs voice came over the C.B..."You should be getting your wake-up call about now..." Been missing you, Cliff.

“ We are so sorry for your loss. When I was young, Cliff always seemed to be there when I needed help. Whether it was working on a car or just something that needed fixed, he never shied away from helping people. He will be missed. Rest in peace big brother.
