“ I just heard about Corey's passing. He was an amazing veterinary professional. I had the opportunity to work with him on the CUBEX units that AVETS has at their site. I reached out as we are about to install what he wanted for the hospital when I found out the news. I cannot say how sad and sorry I am. He touched so many people's lives, I'm sure, and wanted you all to know. He was an amazing individual.
