

Courtney Marie Harkins

November 19, 1992 - August 23, 2024

Courtney Marie Harkins, 31, of Irwin, died unexpectedly Friday August 23, 2024. She was born November 19, 1992 in Pittsburgh, the daughter of Larry C. and Allison L. (Weathers) Harkins of Irwin. Courtney loved the theater. She was a graduate of Penn-Trafford High School where she was a member of the drama guild and the marching band and served as drum major her senior year. She went on to graduate with a bachelor's degree in music education from Duquesne University and was involved with the theater group there. She performed with Stage Right, Split Stage, and Actors and Artists of Fayette County; among others. She also was an accomplished flutist and had given flute lessons. Courtney was not only regarded as an unprecedented talent in multiple facets on the stage, but a more incredible friend and confidant in the other aspects of her life. Everyone who loved Courtney found their life enriched by her presence. Her kindness, talent, and beauty poured over everyone who crossed her path. She consistently, without failure, brought grace, humility, and fondness for life to everyone around her. She was an animal lover, especially her three cats and her dog. In addition to her parents she is survived by the love of her life Michael Hamilla; her grandmother Carol Keifer; also numerous aunts and uncles and many friends. She was preceded in death by her grandparents Charles and Margaret Harkins and Albert Weathers. Friends will be received from 4 to 8 p.m. Tuesday August 27, at the William Snyder Funeral Home, 521 Main Street, Irwin where a funeral service will be held at 11 a.m. Wednesday August 28, with Rev. Roger Steiner, officiating. Interment will follow in Union Cemetery, North Huntingdon. In lieu of flowers a contribution can be made to the National Kidney Foundation at www.kidney.org. We will always remember all of the fun we had with her on our family vacation in the Outer Banks and how excited she was to play in the ocean waves. Always thought she looked like an angel in this photo...and now she is.

God bless you Courtney.....you will live in our hearts forever.

“ Athena met Courtney as a young student at Parasky Flute Studios. Athena immediately found a connection from their PT band experiences. Becoming a fan, Athena followed Courtney in her musical theatre career by attending many of her area performances. Now a Music Ed. major herself, Athena certainly was influenced by this talented, sweet young woman. Of course, Athena's experience is not unique. Courtney will be remembered and missed by so many. May her loved ones be consoled by all the wonderful memories that are a part of Courtney's legacy. Athena Konidaris family

“ The first time I met Courtney in person was at a company picnic. We chatted about all sorts of things but definitely bonded over our love of the theater. I ended up driving her back to her hotel afterwards and decided to play a Broadway playlist. We both were singing our hearts out the whole drive. It was the most fun I've had in a car in a very long time. I'll never forget that drive. The joy I could hear in her voice as we sang was palpable. She will be dearly missed.

“ Courtney & I were leads in “9 to 5” at Duquesne University in 2013. We were also on the Spotlight Musical Theatre Group board together. She had the most gracious upperclassman aura to my chaotic freshman energy. I'm grateful to have known her.

“ I am so unbelievably saddened and shocked to hear this news. I still remember the summer of 2012, when we were doing Sweet Charity at Apple Hill Playhouse, and I made you belt for the first time in my car on the way to rehearsal. The look on your face when you realized that not only you could belt, but that you were GOOD is something that I will never forget. That is one of my most favorite memories, and hearing you sing and seeing you in musicals made me so proud to know you. You will always be in my thoughts and in my heart, and it has been an absolute honor to have shared the stage with you numerous times. I love you, and I will miss you dearly.
