“ I met Darryl at Union National Bank when he worked in the Loan Dept and I in the Trust Dept. For a few years, those departments shared the first floor of the Masonic Temple Bldg at the corner of Sixth Ave and Walnut St in McKeesport before being moved back to the main building at Fifth and Walnut. A parking garage was located next door with the entrance off Sixth. The back door to our combined offices was located at the rear of the Trust Dept so everyone from both depts passed through our area whenever they were coming or going. I recall Darryl as a very nice, very devoted young family man.

Please accept my sincere condolences for your loss.
