“ *We were greatly saddened when we learned of Dave's untimely passing. I have great memories of "Barney" while we were employed by the Pillsbury Company, back in the late 70's & Early 80's. Although we lost contact when he left to work for the Wilton Company, he will always be remembered for his quick wit, and, friendly smile, along with his willingness to be a helpful team member. Our condolences to his wife, Cindy, along with the rest of his family. I'm sure that he will be greatly missed!*

*Sincerely, Jim Kistler*

“ *Dave, reading all the great stories from your family and friends bring a smile to my face, but my heart aches with the thought that you have left us. We shared a lot of good times, and those memories will remain until we meet again. RIP Barney!*

“ I am deeply saddened by the loss of Dave to his family, and friends. I remember meeting Barney for the first time in 1975 when his family moved to Mentor from California, and Dave was the "new kid". He was one of those people who you liked right away, and never had a problem making new friends. Dave was the real deal, nothing phony about him. I know Dave carried those qualities on through his life, and his passing will leave a void to all who knew him.

“ Dave made a large impact at Target 1220 and will be truly missed by past and present team members. He would do anything to help make your job easier. He would offer advise and humor when you needed it. A big part of the store is gone without him. Rest in Peace!!!
