“ *I met Dave while working at Truck Driver Institute where he was working as the Director for a while. He had the best sense of humor and could make me laugh even on the worst of days. He loved all of his children dearly and could not wait to be asked how the kids were doing. My husband Doug and I went roller skating with Dave, Mary and the girls when they were little. As Dave would say "We had a blast". He did not hesitate when I asked him if he could help us move into our house in N. Huntingdon. That's who he was, a hard-working devoted father with a heart of gold. RIP my friend, until we meet again. Liz and Doug Maranowski*

“ Uncle Dave you were truly a great Uncle! You always made me laugh with your goofy side and I always enjoyed spending time with you. You were always so loving and generous to everyone. Without a second thought, you would take the shirt off your back (and your shoes if you had to) , if anyone was ever in need. You were a self-less and hard-working man! I always admired the way you fiercely loved your kids with all your heart and let them be who they wanted to be without ever judging them. You were a great father! You will be truly missed! I will try to find peace by thinking about all the fun and memorable times we had together. You will never be forgotten. I love you forever and always! Your niece, Katie

“ Dave, I have missed your crazy, but fun antics! We used to have so many laughs on our way from Columbus, Ohio to Benita Park, Missouri each week. All those stops at a Waffle House or the Pocahantis Restaurant, the talks over the radio while driving down the high way, or the crazy things you might do (like taping a blue chucks pad around you like a diaper and then standing on the top step of your truck - I wish I still had those pictures to give to your kids) or say when we got to the cross dock. You always made me laugh! I have missed and I will now continue to miss all of that. I have the memories though! May you rest in peace my dear friend!

“ Even though we didn't see each other often Dave will always hold a special place in our hearts. Not only did we all hang out together at the Irwin playground, Dave was in our wedding. A special memory is when we all climbed up on the monkey bars in our wedding attire to have pictures taken. We had many days of fun and laughter. You'll be missed Dave but our memories will last forever.
