“ *This first time I met Don was at my sister's wedding to Paul. We had only met, but when I introduced myself, he gave me a hug and kiss on the cheek, all the time smiling. He was so happy. He just seemed to be full of kindness. Knowing and loving Paul, I know where Paul gets his inner happiness and greatness from. Don, you never had a chance to see me after that, but you and Sue are forever in my thoughts. Rest well.*
