“ My best memory of Mr. Wagner was when Ricky and I were about 14 we would steal one of his beers every once in a while from the frig. One day we got a beer and went to the wood to drink it, but little did we know that Don was on to us and put vinegar in one of his empty bottles. Ricky took the first sip and handed me the bottle and before I new it I was drinking it to. Don taught us a good lesson that day,
. To this day I don't like vinegar.
