“ *I was a seventh grader at Trafford High School when Coach K was my physical education teacher. He later became my football coach for one year when he left of Norwin. I fondly remember him for his gracious toughness as a teacher and coach. He helped shape not just my life but many students. May you all rest in God's providence during this time.*

“ I played football and had Coach Karanovich as a teacher at Trafford High School. I graduated in 1963. Coach taught me to never back down from anything in life. Meet it head-on he would say and never walk away from anything. It certainly worked for me.

My sincerest condolences to Coach's family.

RIP Coach.

“ My thoughts and prayers for the Karanovich family.
Our Tuesday golfers will miss a great man.
He was our weekly auditor " Give me a buck and you won't have so much" was his statement each week.
I can see and hear the foursome (Lyman Stough, Dick Rizzardi, Chuck Hursh and Don) at the Heaven Golf Course trash talking and having a great time.

Rest in peace my friend.
