“ Doreen was one of my best friends. When she moved from Scotland to North Irwin, she came over and introduced herself and we were friends ever since. We talked to each other every day and sometimes twice a day for 50 years! We joined several groups together and had our monthly ladies club luncheon and had so much fun when we were together. She would always end the conversation with saying she was going to have a wee bit of tea or maybe a martini! My family loved her too, and we shared many happy memories together. I will miss hearing her voice on the phone, but she will always be in my heart. God bless you and your family Doreen. I will always love you.

“ Sending love to all the family.

Peter and I loved to catch up with Doreen when we were visiting Aunt Betty and Uncle George (Davis). Doreen was such fun, and I shall miss her Christmas phone calls, where she'd always tell me she wasn't "kicking quite so high"! She is now with her beloved Pete.

Night night, lovely Doreen.

“ I’m so glad to call Doreen, my friend. I enjoyed all of our times we shared. Most of which was at Burgh’s restaurant/bar on a Friday night after bingo: I called she played. It was right next door to where we lived. Everyone knew and loved Doreen there. She was a gin and tonic and I was Tito’s and water. One time the waitress brought her and I a drink. The waitress said it was from the guy over there, she looked and yelled that’s the chicken guy from giant eagle. I almost fell on the floor laughing. Once, when we were finishing up, the waitress ask if there was anything we needed I said “an uber” ! I loved her, even tho there was a wee age difference, like 22yrs. Didn’t bother us a bit. Doreen, I will enjoy our memories always. I will miss you, until we meet again: my prayers for Bruce, Lorraine, and Doreen.
