“ It is with great sadness that I have heard of the passing of Doris. It has been many, many years since I have seen her, but remember her fondly as a child and young adult. She would visit on occasion with her mother and Mary Miller to our home in Irwin, mostly over the holidays. I remember that she was delighted with the news that I too would be attending college to get a degree in nursing. After graduating from Carlow College in Pittsburgh I moved south to the Atlanta area and made my home there. We kept in touch mostly at Christmas time with a card and I was always delighted to hear from her. She was a special lady and an exceptional leader in nursing. She will be definitely be missed in this world. My sympathies to you all and thank you for caring for her. In case you are wondering my mother was Anne Doris Lewis Hartung. Cousin of Mary Miller and ? Hannah. Mary and Hannah and Lou Anne came to our house several times a week when I was growing up. Also visited the cabin on French Creek a few times and have great memories of it all. Once again my deepest condolences. Lori Hartung Phillips 770-330-2680
