“ So So very sorry for your families loss. I saw this just moments ago. We loved Dot, she was besties with my mother in law Gloria Johnston who we lost December 16,2020. I am grateful I had an opportunity to speak with Dot in January 2021. She was absolutely lovely. God's Blessings

“ How sad that such a lovely person is now gone from this earth. My mother, Bernadette Markell Karp and Dot were very close childhood friends for many, many years.

As a young girl, I can remember my mom telling me stories of their friendship and youthful activities as teenage girls in East McKeesport.

Dot was a creative and interesting person. She was an author and an antique collector. She had a beautiful home and garden in Plum.

The last time that I saw Dot was at her home in Plum. She invited my mom, Bernadette, myself and two other friends to her home for a ladies luncheon . After lunch we visited her backyard flower garden and admired the beauty of nature. What a lovely ending for an enjoyable afternoon.

My thoughts and prayers are with her family at this time.

“ Missy and Dan were the first neighbors we met when we moved to Collierville, Tennessee. We immediately discovered similar interests and began to cherish their friendship & family. Fortunately, Mrs. Dot visited often and we lovingly adopted her as our own “grandma polka-dot”:) We will always hold a most special place in our hearts for her and their entire family.

“ When I moved across country to Plum in the early 1990's, Dot was the first on the block to welcome me. Dot did not let my introverted personality deter her. She made sure that I always felt welcomed and part of her extended family. When my husband's mother passed away suddenly, she made sure to do her best to fill that void. Then, continued to do so when our son was born. Dot was the closest to a grandmother that our son had and we are so humbled and blessed to have known her.

“ Dot was our neighbor for well over 20 years on Impala Drive. She was a kind, caring person. Took care of her grass and shrubs, flowers meticulously. We would talk alot about swimming because we both shared the love of exercise in the water. So glad we were able to visit with her a few years back upon our return to the borough. May she rest in the peace of Christ.
Our sympathy is sent to Becky and Missy. Hopefully you will get this message because we have no address for you.
