“ My dear sweet dad, I sure do wish that I lived closer to you because there would be so many more memories. I will for ever cherish all of our time together. Thank you dad for introducing me to the best veggie I've ever eaten Kohlarabi!!!! I will never forget us sitting in your garden and you cutting it up and us sitting there having wonderful talks and munching on kohlrabi. I am so thankful that I was able to get home and spend a few of your last days with you! It's really hard to believe that Feb.25th was the last time that I will ever hear those comforting words I LOVE YOU HUN.

“ My heart is very saddened by the Douglas's passing. Some of my earliest and fondest memories are of "Aunt Lou's Bad Boy". He would tug on my pigtails or "steal" my nose, but I would keep coming back for more! :)

*In deepest sympathy,
