“ *Kim and family, Bob and I extend our deepest sympathies in the passing of your husband/father. We had the privilege of camping next to you throughout the summer at Roaring Run Resort. We enjoyed our camp fires, conversations and friendships made. We were looking forward to meeting for lunch before next camping season. Doug will be missed. He was kind, friendly and sincere. May your memories bring you peace and healing in the days and months ahead.*

“ Kim, Becca, and Brandon, I was shocked and saddened to hear of Doug's passing. He was the ultimate "family man" and a very nice and kind person. I will always remember how he treated my daughter Dana like his own daughter and in many ways was a true father to her in the past. My prayers go out to all of you in this time of sadness and I hope you all find comfort in the days ahead.

“ I was saddened to hear that Doug had passed away. We worked together at ET and he was a good guy. Working in the mill wasn't the greatest but we had a lot of good times, especially when we were all together in the lunchroom and hey, he laughed at my jokes. Now that we were retired, we had planned to get together with our wives for dinner but this virus put that on hold, I will always regret that it didn't come to pass. He always spoke fondly of his family and took care of them, the best measure of a man in my opinion. You are all in my thoughts and prayers and I know that the Lord's light will shine upon him. May he Ret in Peace.
