“ Earla has been apart of the Ice Qube Sales Department family for the last 7 years. One of the most amazing people I have ever met and I am lucky to have called her my dear friend. I love you Earla and you will always be remembered. May you sore high and watch over all of us. You are no longer in pain. You got this “Big Country” and you will be in our hearts forever. I love you Earla Jean!!!! Rest in peace my friend until we meet again.

“ Earla was a beautiful sole inside and out with an infection laugh. I've had the great pleasure working with her for many years at Ice Qube, and have many memories that made us laugh until we cried but cannot mention. Thank you for always making us laugh and smile and for always being you. I love you my friend, RIP Kimberly Ferchak
