“ *I was truly blessed to call Dr. Bouldin, “Doc,” both a friend and a mentor during my chiropractic career. His skill as a hands-on adjuster was unmatched—he was, without a doubt, the best I’ve ever seen. He treated my parents, Ed and Harriet Plank, with great care and compassion before I returned to the area to begin my practice.*

Beyond his clinical talents, he had a gentle soul and a kind heart. He often spoke with joy about his love for golf and hunting in earlier years. I will always be grateful for his guidance, his insights, and the impact he had on both my life and the lives of so many others.

Rest peacefully, my friend.
