“ Elaine was a great lady that I always enjoyed talking to at the Hallmark Store. I am so sad of her passing I missed seeing it in the paper. We know that a lady like Elaine is in heaven where people as kind & good as she was go. My sympathy to all of the family Joyfa Kelly. Also remember her delicious baked goods she sent with Jack for all of us to enjoy on Election Day

“ I absolutely loved Elaine!! I worked with her for about 5 years at the Pizza Shack. I still use the afghan she made me when I went away to Penn State. She was a great mentor and always shared stories about her family!!! She was so fun to work with and gave great advice about life. I am so sad to hear about her passing.

“ *My best friend's Gram was truly the most loving sweetest woman you could've had in your life. She shared so much love with not only her family but I also felt like I was one of her granddaughters too. She lit up any room she would be in and was the head of truly the best family. I can't explain the impact she left on all of us even her great grandchildren. She will forever be talked about and missed so deeply. Thank you Gram for including me in as one of your own and I will always cherish the memories I had. She was the best mother, grandmother, and great gram-e to my second family. We will see you again in the most beautiful light. Shine down on us like I know you will.*

“ *One of my oldest memories of Aunt Elaine is a photo of Aunt Elaine and Uncle Jack as young sweethearts. The picture was upstairs in mam-mam and pap-paps house. Each time I saw the picture I could only think how beautiful she was. As a young child I thought she could be a movie star! Even better, Aunt Elaine was beautiful inside and out. A more recent memory was a long conversation we had about some Churchfield family history. She had a fantastic memory and was always truly interested in listening to others stories. We have lost a treasure. My deepest sympathies to the family.*
