“ I was fortunate to meet Betty and her son a few years back. I was her relator when she decided to sell her home in Jeannette. She was so pleasant and wonderful to talk to. Even after the sale of her home I made sure to stop in to say hello at Nature Park when I would visit my mother who was also a resident there at the time. I made sure to bring Betty a bag of hard candy that she enjoyed to soothe her throat. I still think of her from time time. My sincerely condolences to Betty's family. Frank Flori
